Dedication

Mr. Leon Berger

For the past five years there has been a man at Agua Fria who has been exceptionally prominent in all of his work.

As Guidance Director at Agua Fria, he has been an inspiration to many students; he has given them the guidance and encouragement needed to start on the right path toward future success.

As a sponsor of Student Council, he has helped our student government become a responsible and successful organization.

With deep appreciation, we, the annual staff and class of 1968 respectfully dedicate the 1968 Wickiup to Mr. Leon Berger.

Our Senior Memories

The days of remembrance are soon to come — those days when our minds will wander and return to the hallways of Agua Fria.

Of what will our reflections be?

First, of familiar faces and people we once knew; of books, teachers, and classrooms; of homework and cramming for semester exams; and of one aspect we inevitably received — grades.

We can never forget: Homecoming's knack for producing old friends; pep assemblies and cheers; elections and council meetings; Fridays' "to be or not to be" activity periods.

There were things that made school life so much more rewarding — our outstanding ag department — our excellent band and choir — our formals and proms put together with our own hands.

There were times of emotion for us, too — the anxiety caused by a last minute touchdown; the exaltation from a 1 in physics; the queasy feeling of expectation when being called to the office; and the final victory — the long-awaited, yet sad moment of graduation and departure from Agua Fria.

When time has passed, we will pause to unlock our treasure chest of memories and reflect upon what, for most of us, were the happiest days of our lives — our days at Agua Fria.

A SENIOR FAREWELL

As graduating seniors, we must now say farewell to our beloved school. We have given of ourselves to maintain Agua Fria's legend of glory; we have taken from our school rich experiences and unlimited opportunities in an effort to insure success in our future lives.

We leave this decisive part of our lives behind us with sincere hopes that future seniors will accept the responsibility of maintaining the traditions we hold so dear. Life at Agua Fria will soon be the past for us; for the underclassmen it is the near and challenging future.

Even though Agua Fria is no longer a part of our lives, it will always be a part of our memories.

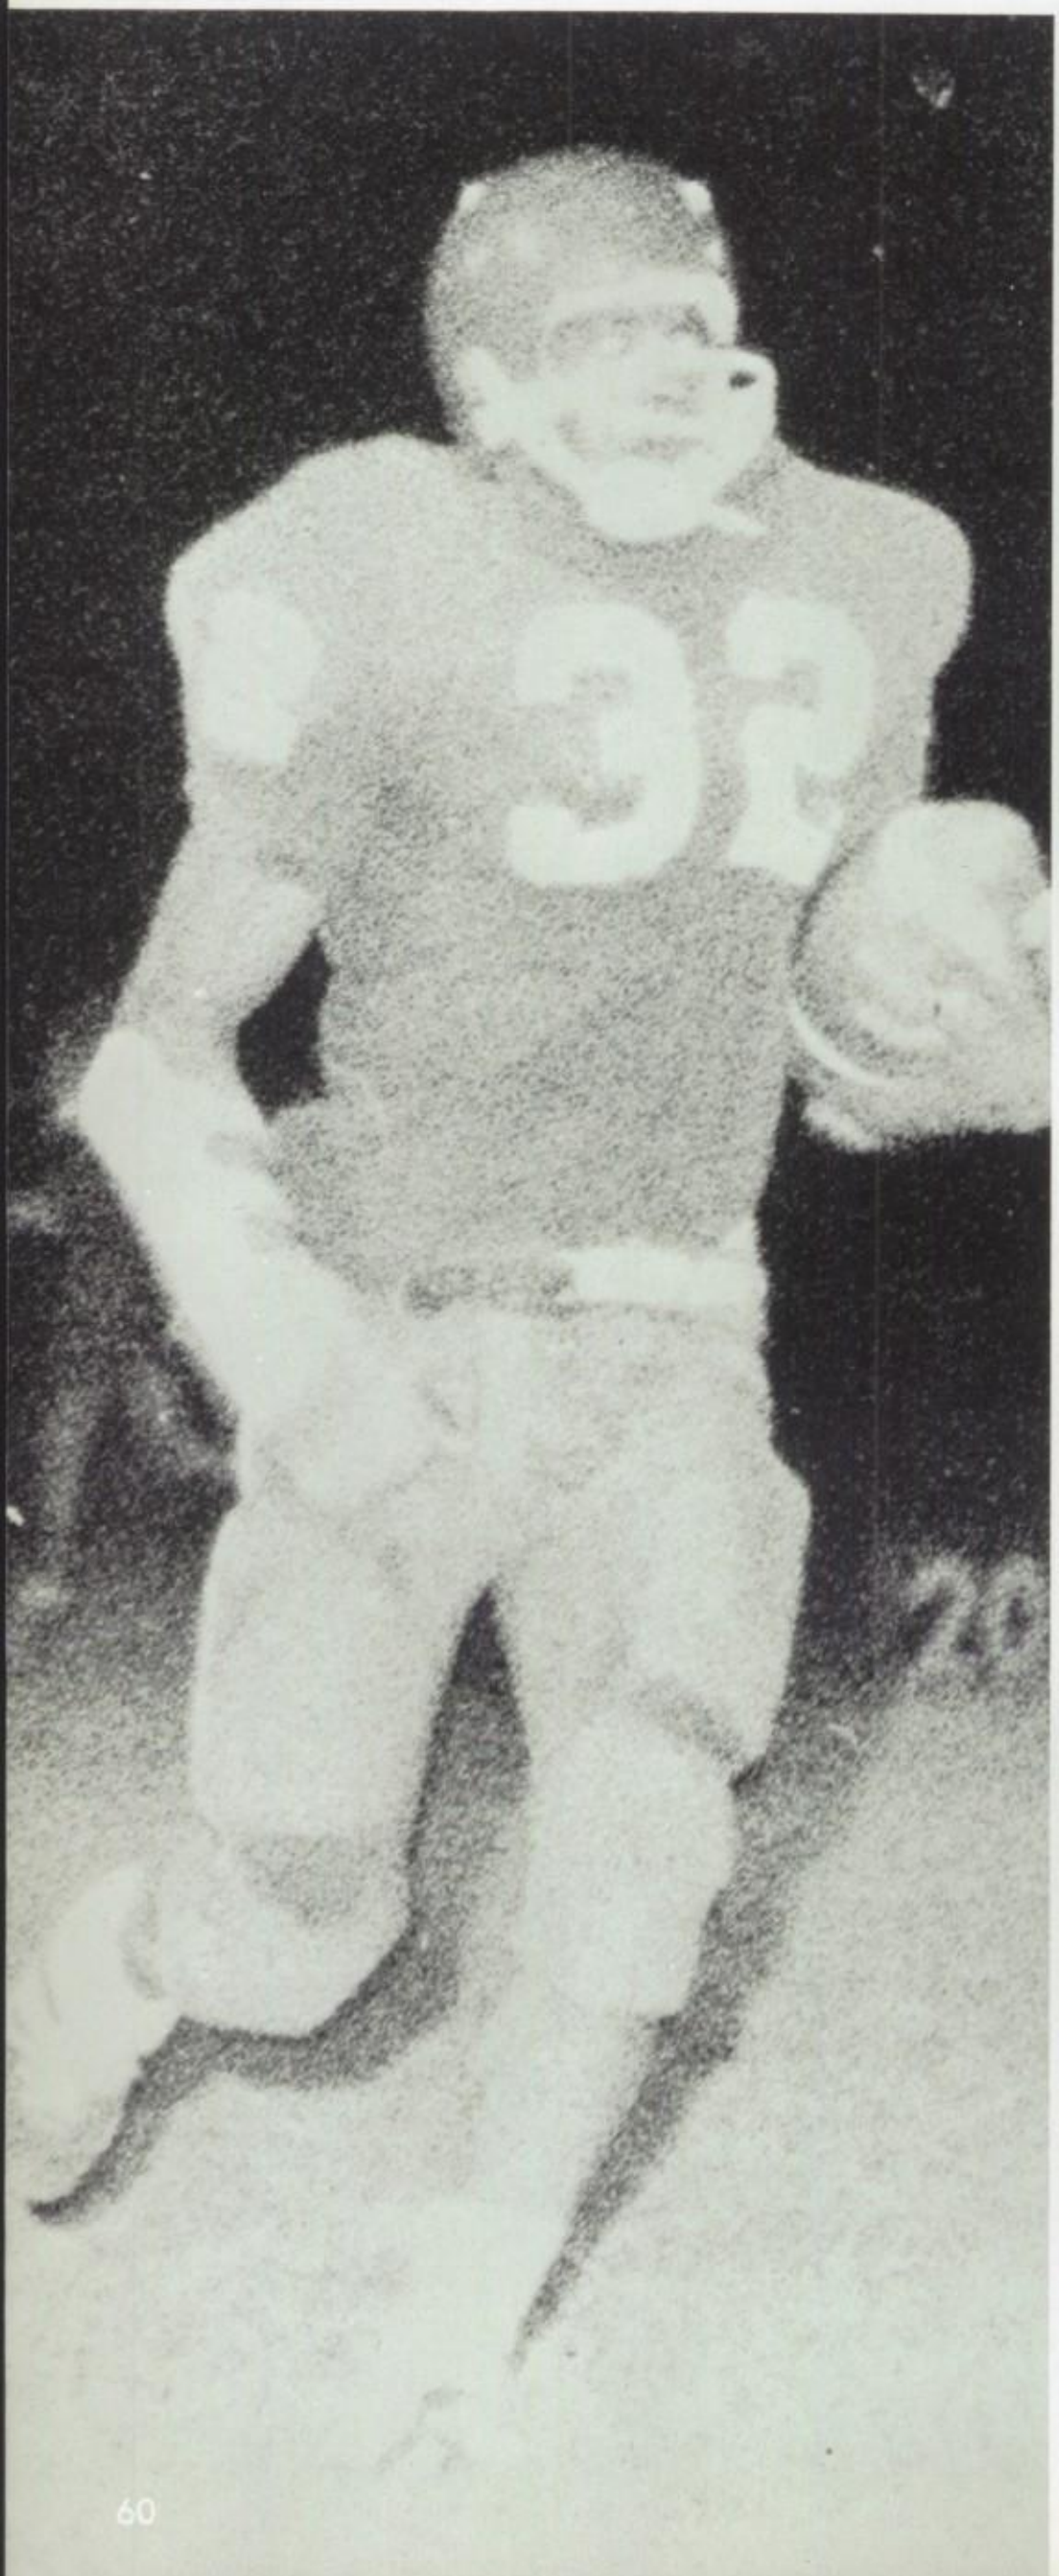
Eddie Rogers . . . All State!



Throughout the season "Big Red" relied heavily on one man to shoulder much of its explosive offensive and tough defensive chores. The man . . . ED ROGERS. At the end of the year Eddie had compiled 42 points, rushed for 573 yards, and averaged 18 tackles per game. All of these statistics proved good enough to land Ed on first team All-Conference and All- State squads.

Cheerleaders

CHEERLEADERS—(bottom) Katy Cantrell, captain; Bonnie Stewart, Tina Coe (top) Kathey Alley and Denise Espil.

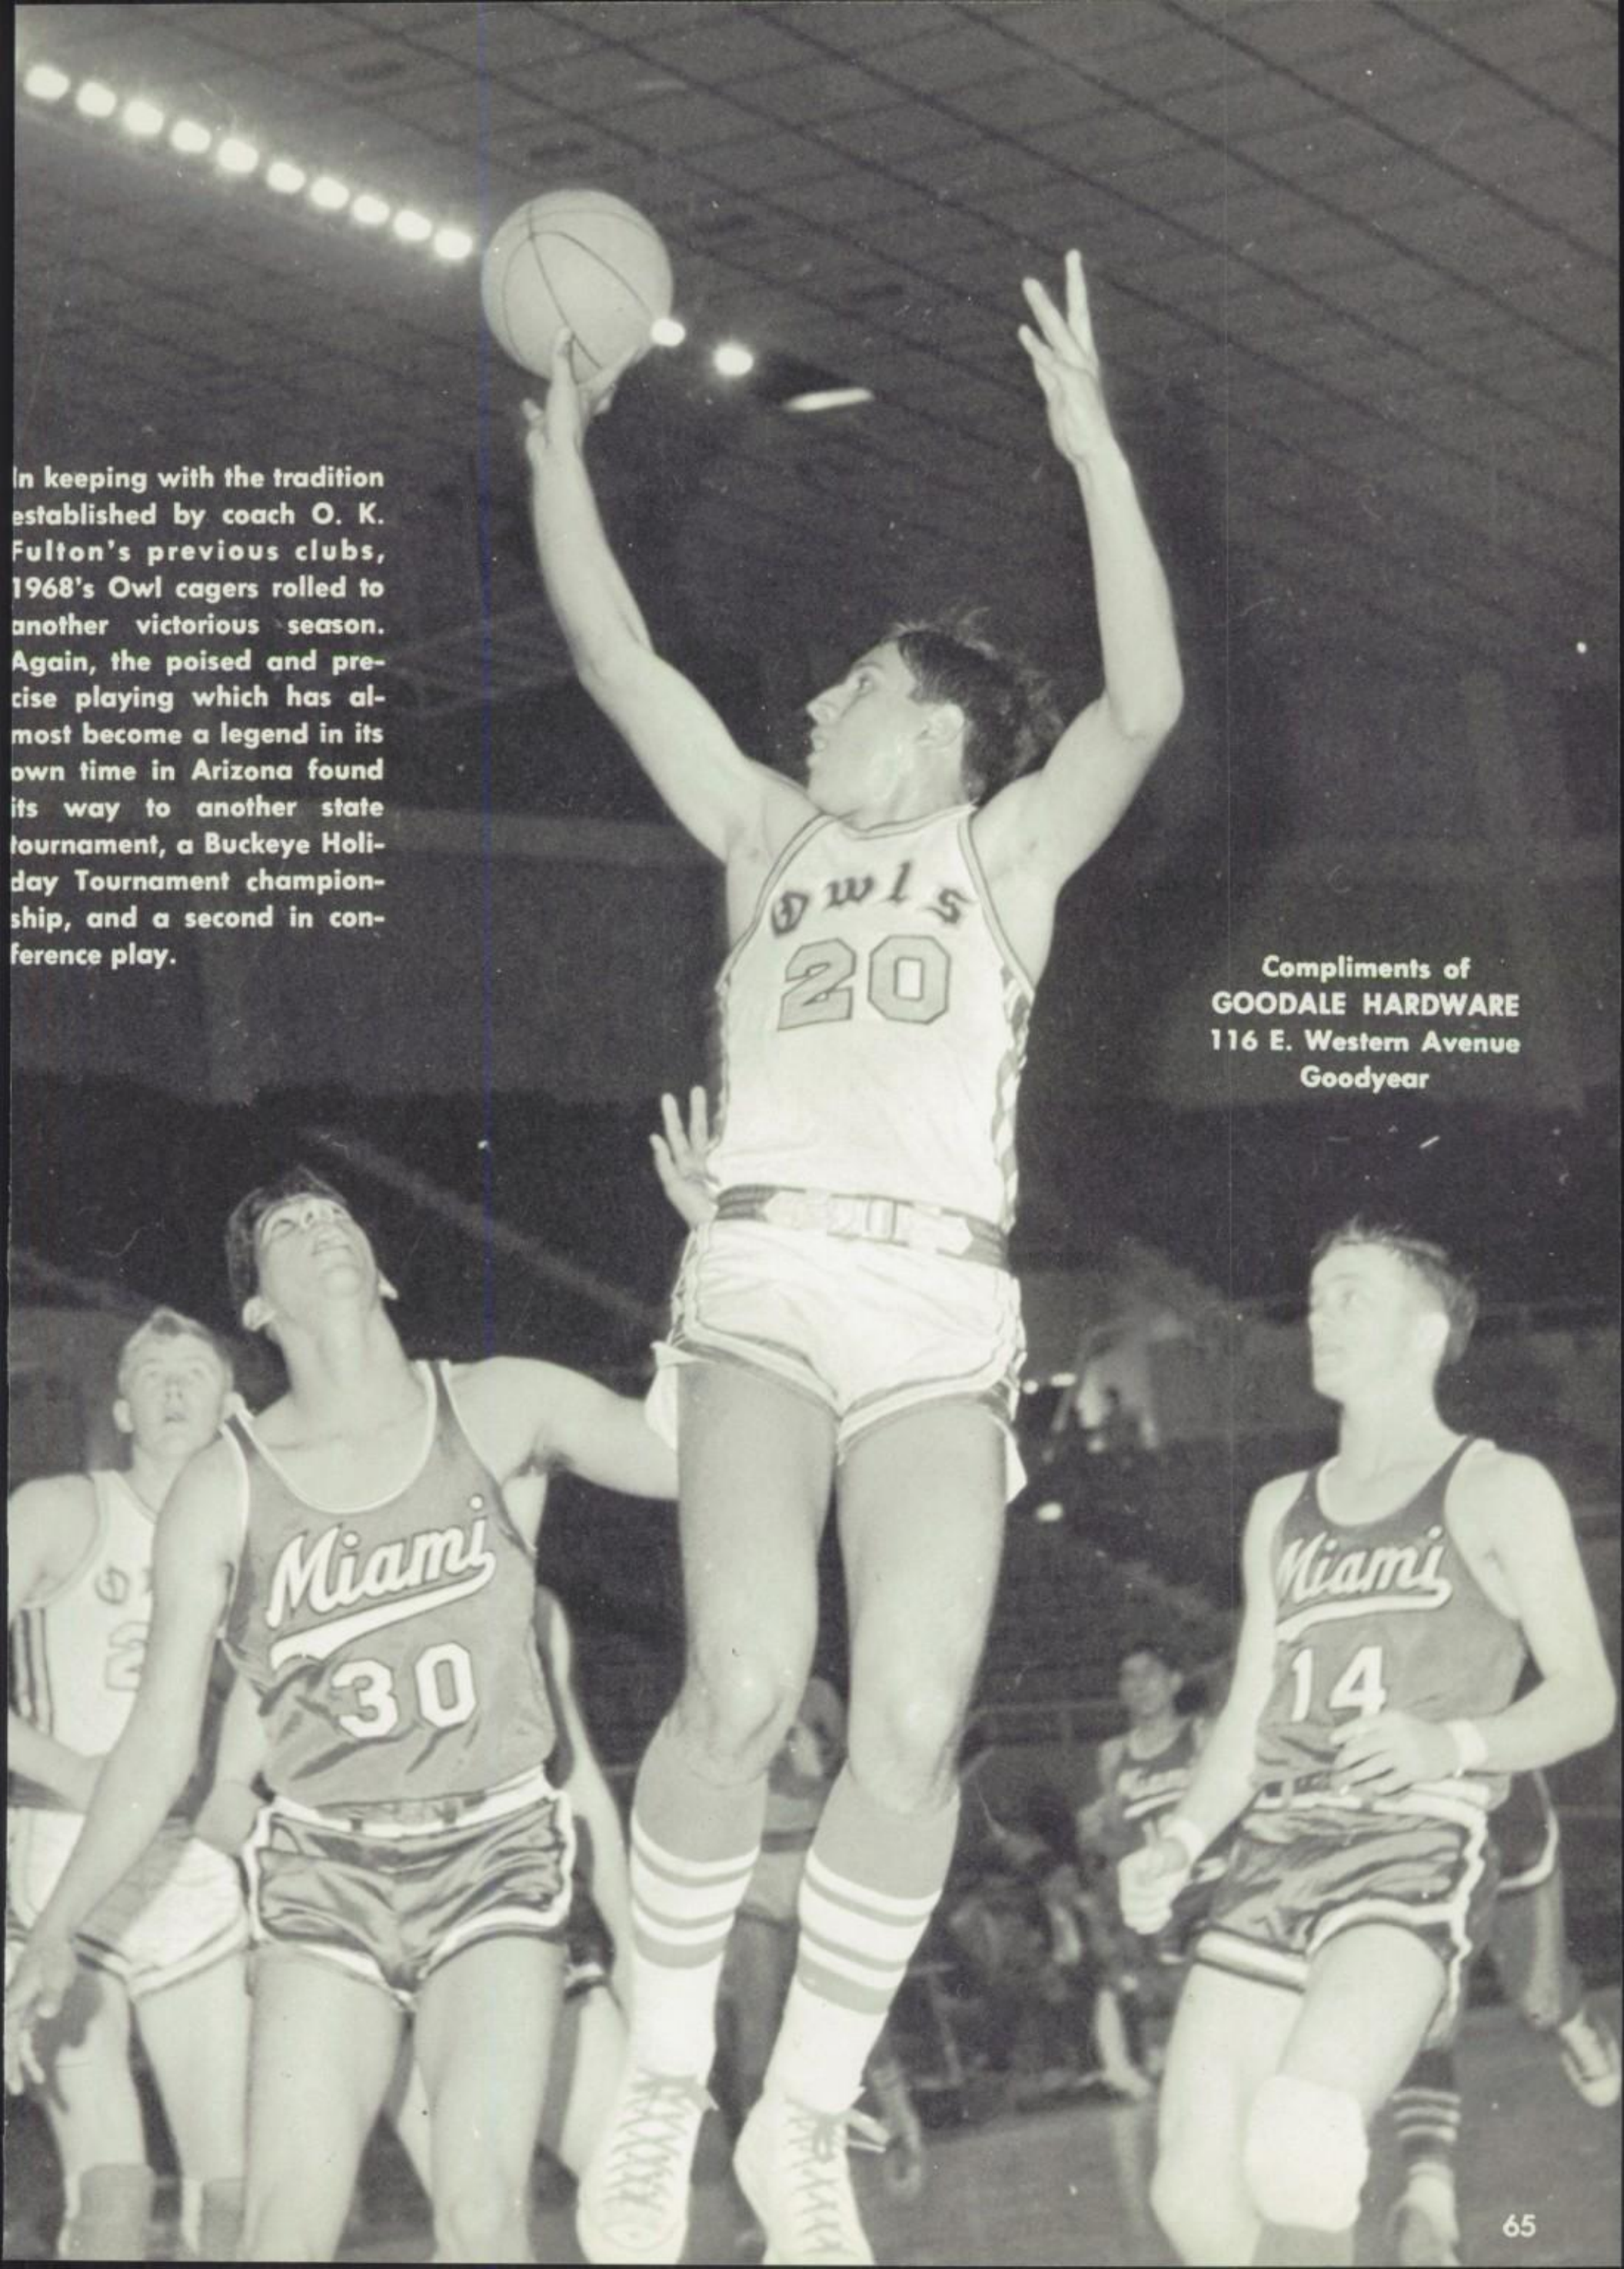
Chosen on their ability and personality, our cheerleaders have played a big part in Agua Fria's athletic success. Whether leading the crowd in enthusiastic cheers, or putting on morale-building pep assemblies, they always have the spirit that is synonymous with Agua Fria. Miss Boles is the advisor for both cheerleading and pom pon.

Pom Pon Girls

From a beginning of only five pom pon girls who had been majorettes, look what we have now! Our girls have consistently placed first in state at summer pom pon camp, put on precision dance routines during football and basketball games, were responsible for many successful pep assemblies, and supported the red and grey in victory after victory.

POM PON GIRLS Debbie Sarver, Linda Mann, Irene Ely, Debby Taylor, Ann Bowling, Kaye Brandick, Debra Lytle, Jan Phillips, Captain; Brenda Newkirk, and Laura Kafaro.

1967 — 1968



In keeping with the tradition established by coach O. K. Fulton's previous clubs, 1968's Owl cagers rolled to another victorious season. Again, the poised and precise playing which has almost become a legend in its own time in Arizona found its way to another state tournament, a Buckeye Holiday Tournament championship, and a second in conference play.

A sign of the times...

You'll be seeing more of this symbol. It's the way the new town of Litchfield Park signs itself. And you'll find it affixed to many of the unusual projects now being built there. Projects like broad, handsomely landscaped pedestrian pathways which will connect all parts of Litchfield Park . . . its residential villages, schools, shopping areas and playgrounds . . . always avoiding the traffic of major streets with an overpass system.

Fresh, practical approaches like this to city living characterize Litchfield Park. For instance, its unusual pattern of streets will virtually eliminate traffic jams and keep the village streets safe for children at play. Schools will be built where the children are.

No more long bus rides. And mother can hang up her chauffeur's cap occasionally.

No home will be more than a mile and a half from the downtown heart of the city. Easy walking distance, if you like. And recreation abounds. The first villagers are already enjoying a 36-hole golf complex, an extensive family recreation center and a lake big enough for sailing.

If this sounds like your kind of town, come take a closer look.

West on Indian School Road.

Are high school seniors ready for their own checking account?

FIRST NATIONAL BANK thinks so!

Today, high school seniors have developed a sense of responsibility that includes a desire to manage their own financial affairs.

To encourage this desire for sound money management First National suggests you inquire about an inexpensive Custom Checking Account at any office of the bank where you come first.

If you plan on attending college in Arizona, be sure to ask about First National's free college checks and checkbook covers.
